Conditions

- The fiber optic and 4G Internet offer is valid from 04.06.2018 to 12.31.2018 for new and constant private customers ordering Internet plans GO, RUN and FLY.
- Only new or constant users of Penki fiber optic Internet can order mobile Internet services.
- Discounts for mobile Internet services are valid until the contract expiration.
- In the event of termination of the contract or its end, discounts (special offer) automatically stop to operate. From this moment the standard fee (23 € / month) is valid.
- Mobile Internet service is provided only in Lithuania.
- The most Internet speed 1 Gb/s (RUN and FLY) is provided with technical capabilities. You can find out the exact information about the technical capabilities in the customer service departments or calling (+370 5) 266 4555.
- A special offer is valid from the service contract is signed - before the smallest period for service end .
- If services provision was temporarily suspended, the smallest period is extended for this period, but discounts are no longer valid. Standard tariffs come into effect.

- **In the event of agreement termination, the Subscriber is obliged to pay compensation, taking into account the difference of the special offer and the standard tariff for the subscription fee and installation.**
- **Ordering the digital interactive television, the special offer is valid only when the service is ordered together with the Internet.**
- **Terms of contracts for IPTV and Internet service must coincide. Termination of the contract for the provision of Internet also requires the termination of the IPTV contract.**
- **Making a contract for the IPTV services, a special offer is applied from the moment of the beginning of the services provision for the entire duration of the contract.**
- **If the term of the service contract is shortened, the Subscriber is obliged to pay a tariff change or compensation equal to the difference between the special offer and the standard tariff.**
- **If the services provision has been suspended temporarily, the client has no right to request the extension of the special offer terms.**
- **The Company has the right to stop or change the promotion terms by publishing information about it on the website www.penki.lt.**
- **Discounts are not summarized (except for the promotion "Bring a friend" and "For passed from other providers").**
